Finlands DX-Clubs följande klubbmöten: Torsdagen den 19 juli kl 19 hos Bob Hielm, Furuvägen 20, Westend. Färden sker lämpligast med någon av de bussar som kör längs Jorvasvägen. Stig av vid Golfvägen och gå upp för densamma tills Furuvägen möter.

Ett inofficiellt möte hålls torsdagen den 21 juni kl 18.30 hos Daniel Söderman, Bergmansgatan 16 E 29, Helsingfors. Detta möte rör främst dem som har för avsikt att bege sig till DX-parlamentet i Lund den 30 juni - 1 juli. Som känt arrangerar FDXC en grupprespa till nämnda tillfälle. Några helt interna angelägenheter angående Federation of Finnish DX-Clubs skall även behandlas. Dessutom kommer frågan om en kommande landskamp i DX-ing att tas upp.

Loggbladen. På grund av ett beklagligt missförstånd har klubben fått fel offert på tryckning av loggbladen. Det uppgedda priset var omkring 40 % billigare än det verkliga. Loggbladens försäljningspris är nu 100 mk för 20 st. (I stället för 30 st.)

Till nästa nummer hoppas redaktionen att få många bidrag. Under sommaren har de flesta tid att DX-a. Glöm därför inte bort att rapportera Dina fångster. Attention utkommer i juli som ett vanligt nummer, i augusti i form av en tipsbulletin.

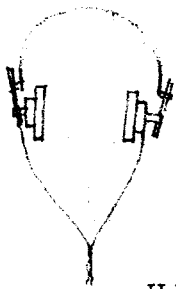

Om viktigare DX-händelser och DX-ing i allmänhet står att läsa i HBL-Junior varannan lördag. Också Nya Pressen kommer att innehålla artiklar om DX-ing under sommaremånaderna. Dessa DX-artiklar återfinns på tekniksidorerna. Det är några av FDXC's medlemmar som svarar för DX-avdelningarna i de båda tidningarna.

i -----

I majnumret av Attention skulle ha ingått en artikel om en resa i västra Myland som gjordes i samband med Bengt Dalhammars och Claes W Englund besök i Finland. Genom ett tekniskt missöde som inträffade i sista minuten före pressläggningen måste dock artikeln utgå, trots att den redan var nedskrivnen på stencil. H-red beklagar det skedda och lovar se till att något liknande inte skall ske i fortsättningen.

Many thanks to you all for your contributions!
 From now on hints like "BBC with Arabic then and then" a.o.
will not be published because they are of no use. I wonder
 who would listen to BBC in Arabic ?? If you really want to
 help the beginners with hints on easy station, then give
 hints on prgr's in an understandable language, as English!
