## DX-läger:

Jakobstads DX-Club arrangerar i sommar mellan den 8 och 11 augusti ett DX-läger på Storsand 12 km utanför Jakobstad. En naturskön lägerplats invid havet kommer helt säkert att vara en stimulerande omgivning för alla dx-are. Den härliga sandplagen erbjuder alla lägerdeltagare ett fint tillfälle att bättra både fysik och solbränna.

JDxC står för alla arrangemang ända från det deltagarna anlänt till Jakobstad. Lägeravgiften är 15 mk, i vilken ingår ett mål mat samt två gånger te med smörgås per dag. På lägerområdet finns en välförsedd lägerkiosk. Logi och transport till lägerplatsen ingår också i lägeravgiften.

Ett omväxlande program har arrangörerna länge förberett. Förutom dx-ing kommer en dx-tävling med batterirador att anordnas. Denna tävling är såväl individuell som klubbkamp. Idrotten har sin givna plats, annars kan det hända att en och annan blir alltför försoffad. JDxC som så oturligt förlorade fotbollsmatchen senast är nu ute efter en grundlig revansch. Alla som vågar ställa upp mot JDxC:s starka lag kommer att besegras. Till tävlingen med batteriradio bör egen utrustning medtagas.

JDxC:s fina artister kommer att bjuda på underhållning i non-stop stil. Som ni kanske har lagt märke till kommer det att dra ihop sig på allvar i Jakobstad den 8-11 augusti. Vi hoppas på stort deltagarantal.

Anmälningarna bör vara JDxC tillhanda senast den 1 augusti. Närmare upplysningar och förfrågningar lämnas under följande adress:  
JDxC c/o Carl Johan Eriksson, Lovret 1C, Jakobstad.
